Koro ni Matsuri: Kakera

Asobi is the third season of the anime series created by Katsura Hosoda and the sequel to Higurashi no Naku Koro ni - Shirogane no Michi. The series covers the period from summer to autumn in the town of Hinamizawa. Like the previous series, this story shows us the city, as

well as its inhabitants, at a time when they are experiencing a very important day in their lives - the day when they have to do
