

I want to download a digital copy (e-book) of every talk about the body. . On an iOS device, go to the Blurb dashboard and find your eBook under the Most Recent section. â†’ This gives you the URL of the downloaded PDF file (PDF in .pdf format, PDF in .zip format, or either .pdf, .zip or .fbl file). I downloaded the e-book file when I got my hands on the phone. I can download the file when the phone is connected to the computer. But it doesn't work for me. I also tried downloading the file from my computer to my phone. This works for me. After all, I want to download a file when the phone is connected to the computer.
