February 10, 2014 - If you want to download the latest version of this software, the links are below! Answer ... ----- Reply to user message from I found some very helpful links. I downloaded the Mac version on my computer and the Windows version on my laptop. I know it's not the way I like it, but anyway. As for the links, so don't worry, I've uploaded everything. macOS download link ----- If you would like to download the latest version of this software, the links are below!
