
Crystal Reports No Export Dll Found

July 18, 2011 - How many libpng10.dll files are on your system? List all instances. Any additional comments. What do we know. The error is not valid for DLL export or . EXE that do not use functions from libpng10.dll. What's next? Not much, but probably worth a try. libpng10.dll is not used by all systems. It might be worth installing the libpng12.dll package and see if that affects the issue. libpng12.dll was first introduced and successfully used on Windows, Linux and Mac OS
