You are a resident of beautiful Hazzard County, in a small Georgia town. You have just inherited the Sheriff's station and Station wagon. You've just fired the previous Sheriff, and now you have to hire a new one! You have three options: 1. You can hire an ex-lawman with an open mind and a can-do attitude 2. You can hire an old family friend who hasn't been in the job very

long. 3. You can hire an ambitious young new deputy who is younger than you. You have to do something! Your decision will have an impact on the future of Hazzard County, where a carefree community has been waiting for a good Sheriff. You have three options to hire a new deputy; and each will have an effect on the Dukes of Hazzard. 1. Hire an ex-lawman with an open mind and a can-do attitude. This will be the easiest.

Hire an ambitious young deputy who is younger than you. He'll have a lot to learn, but he'll also have a lot to give. He'll love the job, and he'll want to do it well. He'll be so full of enthusiasm that the other two deputies will take advantage of him. But if the community supports him, he will succeed.
