FIFA, the world's leading sports video game franchise, marks its debut on the PlayStation 4 this fall. Ultimate Team, FUT Champions and FIFA Mobile will also be available on PS4. A complete game experience, FIFA delivers the most immersive football action to date, thanks to "HyperMotion" technology and authentic player likeness to the real thing, which has been improved with a new and more realistic Player Tiers model. This guarantees optimal skill progression and offers an increased variety of players. FIFA is also home to the most comprehensive online gameplay service in the franchise's history, allowing FIFA community members to compete against each other using the same licensed players across PlayStation 4, Xbox One, PC, iOS and Android. * Additional content on Microsoft's platform will be announced at a later date. Fifa 22 (Updated 2022)

Build and manage your very own dream team of the world's best players as you compete in a series of online matches. Make every move count, and compete for the biggest rewards in Ultimate Team. In FIFA Ultimate Team you build your own Ultimate Team of footballers featuring the best soccer stars from around the globe. Start by picking from a huge player pool of over 10,000 real football players, including stars from around the world. To make a powerful team, you'll choose from one of the game's over 20 leagues and one of 10 kits. You'll also have a choice of 2,000 additional club customization items to give your team an individual look, whether you like to play in a traditional red and blue kit, or prefer your team to play in the crimson and black of Manchester United. Your team will then be formed by combining three or four of the soccer player cards in your card set with the kits and player items you've chosen. The result is a powerful, customized 11v11 match-day starting lineup of football players that you can play with or against. You can also challenge friends to battle matches online, or face off against computer-controlled opponents in the weekly Mini-Tournaments. Career Mode - Pick your favorite player and make the most of their potential. Build your team, manage your stadium and play online to get noticed by scouts and gain invitations to international and domestic tournaments. An enhanced version of the FUT Ultimate League (FUT) returns, as well as classic and new international tournaments that help you determine your path to success. Player Career - Control all aspects of your professional career with this immersive experience. Choose your path and define your destiny with an all-new Career Mode, showing off your skills and personality to build up your brand and become the player you want to be. Exclusive Features - Turn your favorite players into NBA stars with the new MyPlayer functionality - plus a huge array of new All-Stars, dribbling finishers, goal scorers, playmakers and more. Take control of the most iconic jerseys in the world with more than 150 new player kits. And for the first time in any FIFA game, you'll be able to preorder items from the official online shop before they're available to the general public. Plus, when you preorder FIFA 20 for PlayStation 4, you'll receive FIFA Ultimate Team today*.*
