Recommended for everyone that loves the SHONEN JUMP series, MAYONAKI NO KAGA), uwagaki), kageron) or even NORIMONO (read more at or even if you want to learn more about anime and manga culture, the legendary Megami Tensei Series. Be warned: This might be a bad idea if you are a beginner. We recommend that you start this game with a solid understanding of the Japanese language (where you are right now), as most of the game is based around learning kanji, and knowing what a character means. If you want to get a head start try the tutorial. But if you can, play the game all the way through, otherwise you might encounter monster you will not be able to clear (at the very least you will have difficulty figuring out what the jumbled kanji and wild monsters mean). Monsters of Kanji is still in development, so we are introducing new features on a regular basis. Visit our website www.monsters-of-kanji.com to learn more. The game has no ads, no in-app purchases, no linking via 3rd parties, no tracking, and no connection to Facebook or Google. ' dans la littérature scientifique de ce siècle 7/11/2017 par Nina Dastgir À paraître jeudi 21 avril 2018 «Au moment de dresser la liste des 100 meilleurs ouvrages de l'année, nous rencontrons tous un événement qui se passe en Russie et qui interprète la seule chose qui peut justifier la lecture d'un livre, c'est une question de survie. La question de survie est beaucoup plus terrible qu'il n'y paraît. [...] Pour des historiens, le moment n'est pas passé, mais les besoins existent.» Alain Corbin, La notule sur la littérature pour survivre à l'oubli. 1. Littérature et médecine française berlin, p27) nous le dit clairement: «la littérature est pécheresse parfois». Aussi, au risque de montrer qu'il y a aussi une recette pour entretenir l'intérêt pour la littérature, je vous montrerai deux recettes pour prolonger la lecture des biographies et épopées. D'abord, je vais vous montrer un ratio nous montrant comment l'amour de la littérature peut vous rendre curieux envers les sciences. Ensuite, je vous raconterai la méthode que j'ai suivie pour tenter de trouver des biographies de personnages de la littérature russe, cela sera le bienfaisant compagnon des tristes gens. 1) Qui a le plus amoureux du pouvoir? Il faut considérer l'exemple d'un climat médical parfait. Quel serait le nom d'un témoin honorable de l'amour de la littérature pour quelqu'un qui a

Forums: Q: Vimeo width and height I am trying to get the width and height of a specific Vimeo video through Javascript and pass it to PHP to save on a local MySQL database. I already know about the iframe but I cannot use that on the way. I just want to know how to use the Javascript to get the width and height of a specific video on a webpage. I just need to know the width and height of the video 12345. Thanks! A: This is how I did it: var vid = document.getElementById("player"); var width = vid.contentWindow.document.body.offsetWidth; var height = vid.contentWindow.document.body.offsetHeight; Why do so many programmers use pastel-colored monitors? - kitabjorn ===== asolove I happen to like the brighter monitors, and it's the reason I don't always prefer to work in the other three-color spectrum (red, green, and blue). The reality is that people have to work in whatever kind of environment they can work in. Not everybody has perfect eyesight, is color-blind, or wants to stand directly
