- The Hero's Journey: Book One: From Kingdom to Command A story of an unblemished hero. The prince who once was a highly trusted servant of the King, an annoying and reckless lower-ranked lord, and a penniless peddler were once ordinary civilians. But the world is spiraling out of control, and its fate and the fate of the kingdom hang by a thread. In a dreamworld, they meet an unknown god that grants them the divine power of the Elden Ring, and they leave to explore the Lands Between.
- The Hero's Journey: Book Two: The King's Enforcer The heroes' journey continues through desolate lands and deep dungeons. They head toward a dangerous kingdom and their greatest trial.
- The Hero's Journey: Book Three: Lord of Fire Since their first encounter with a god, the heroes have been gaining divine power. Now that they have the power of the Elden Ring, they can no longer remain silent. The heroes vow to save the Lands Between and crown the new ruler as an Elden Lord.
- Action RPG Explore an open world and battle and defeat monsters using an action-RPG genre
- Co-op Multiplayer Online Battle Co-op multiplayer mode: with up to 4 people, one of them can be the one who operates the mobile unit. Players can also be grouped with friends to create the base defense team. A variety of maps based on dungeons are available for each battle. Play the game in a wide variety of ways by using a variety of mobile and control units, or battle against your friends in the game.
- Customizable Player and Character Players can freely customize the appearance of their characters and weapons. Players can also increase or decrease the muscle strength of their character to become a strong warrior or master magic.
- Unique Dungeon Editor Players can make their own dungeons and adventures. Players can also participate in additional content for a fee, such as scenarios or character/item/etc. creation.
- Asynchronous Synchronous Online Community The game supports an asynchronous online element in addition to multiplayer. Players can enjoy communication and collaboration through asynchronous elements with other players in the same party or different parties.
- Single Player Dungeon and Online Challenges These allow players to experience the game in a variety of ways. Experience an interesting story while progressing through the game, and even enjoy a few brief battles or challenge the game. You can also participate in a variety

What's new in Elden Ring:

07-26-2010, 12:18 PM Guilty Gear (PS3)

Let the new Guilt Gear saga begin! • Continuing the Rebellion for JUSTICE. On the earth devastated by the Clash of the Great Powers, darkness looms ever closer. A figure in shining armor stands silently under the dawn, and his name is..... 10-18-2007, 05:53 PM Gears of War I don't know if it's a good idea to pitch your ideas in a public forum, but I am trying! I want to see software for console-quality graphics, realistic physics, and playability for the Xbox360 and PS3.

Things like a “light” combat system (think Dead Rising), space marines vs the walking aliens, video calling, and all the other neat features that don't fit well on hand-helds. Ben Matheson, a developer on the sequel to 'Gears of War', is leading an effort that will be aiming to reach that eventual vision. 08-02-2011, 07:51 PM
Max Payne

Starting with Max Payne 2: The Fall of Max Payne for the PlayStation2 and PSP, Rockstar Games is bringing Max Payne to the PlayStation3 and Xbox360 in Max Payne 3. Max Payne 3 builds upon the style of gameplay and cinematic storytelling seen in the original game and adds numerous new features, gameplay mechanics, and content. Content includes an original storyline, an expanded storyline, new graphics, new weapons, new gameplay mechanics, and new cinematic sequences. » Software » Max Payne 3
