The Game Tross is a team of four people, mainly coming from the fields of development, music, sound design and animation. We decided to create an RPG, that's our main focus and where we feel we can express the most. We're not really into cutscenes or long rambling dialogues. Who We Are 2 of our members are known for their work in Theatre, Movies and Animation. Since a few of us are also musicians we decided that we put music in NUMINA, to express what we love best. Our Team
