[NEW 2013 TEXAS LOTTERY ADMINISTRATION RULES. PLEASE READ] The Texas Lottery is going to be enforcing more regulations with regard to the Lotto drawings in the future. We will be posting some rules on the front page of the website soon, so please check back to see when the regulations go into effect. If you would like to

check your ticket stubs for a game when it comes up for sale, you can always scan it in your cell phone or take a picture of it on your phone.

The type of ticket that is scanned in by Texas Lottery machines are EZ pass readers. If you are planning on purchasing two Texas Lottery tickets in one day at any of the retail stores, this is a no-no. You can only buy one ticket in one day. Purchase your ticket from a person in a store and another person will scan it in for you, also referred to as cash-in-a-punch. Your prize if you win the drawing would be in the form of a check, and you must pick the prize up in your case of the same form. There are less numbers than you have seen in the past that have been used to build a winning combination. The numbers will probably be available more often, so it is a good idea to check the back of your ticket frequently. Are there any changes to the Drawings on Fridays? Yes, there will be no Friday drawings from 9/15 – 9/23. There will be a Friday

drawing on 9/24, and another Friday drawing on 9/30. The weekend drawings will be on Saturdays and Sundays from 9/25 – 9/27 and 9/28 – 9/30. Are there changes in prize structure? (9/24 drawing will be a \$2,500,000 winner. 6d1f23a050
