After suspending classes for days, schools around the country are reopening, though in some places, only on a virtual or online basis. Here is a list of schools that are reopening in the U.S. More than 200 private and public elementary schools in Chicago will reopen on Monday, but students, along with staff, will be required to wear masks and follow social distancing guidelines. At least 25% of the schools' nonessential staff will be required to wear masks and observe social distancing guidelines. A Denver school district announced it will reopen on Wednesday and said it was expanding its containment zone from one mile to a half-mile around each campus. ADVERTISEMENT The school district is allowing teachers and nonessential staff to use a sick day without worrying about being disciplined, but it will continue to screen all visitors. Students will need to wear masks and limit visitors. Closures: Due to Covid-19, our schools are closed through June. Learn how we are adapting to a new normal. — Denver Public Schools (@DPSDenver)
