All answers are written in English only. - "Where?" - "In your mind." - "I do not understand". In the subconscious. Once you knew about it, but you forgot. - "What I should do?" Get up and go. Right now. "Where?" Where you really need to be. "Why?" "That's your business. And I can't tell you anymore." Before I could answer, he disappeared. "Oh, damn it," I said. "He slipped away again." I got up, turned off my computer, and started getting ready.
