Adobe Acrobat 8 Professional v8.1.0 activated [Dr. Thril/ZWT 2 Series Generator and Authorization Code Activator] only works fine with "regular"...
Adobe Acrobat 8 Professional v8.1.0 Activated [Dr. Thril/ZWT 2 Series Generator and Authorization Code Activator] works fine only with "regular" type of authorization. When trying to register "type-premium" the message pops up: "Failed to verify the authenticity of the installation of the product. Please contact the publisher".
