The film centers on the love affair of a young couple that is set to take place on Valentine's Day. The woman is an airhead who does not know anything about, and the man is a boy who does everything for the girl. She is a girl who comes to India and marries a wealthy family who owns a hotel, and she does not know what is love. The couple are afraid to tell each other the truth, as they are both from very different backgrounds and have certain values that they do not quite match. A real-life version of "How to Lose a Guy in 10 Days"? Talk about a FINE way to lose your man!...from just A DROP OF TOILET WATER! I loved Riteish and Genelia's comic timing, chemistry and even the comical line delivery (I'll be careful what I tell my GF, LOL). Well, I had a great time watching this movie. The characters were well portrayed and dialogue was very interesting and perfect. All in all, even though it took quite a while to come to an end, I loved the movie and highly recommend it. I love this kind of films. Riteish is just wonderful in this film. I also liked Genelia Deshmukh. Really cute n romantic! Riteish is perfect as usual and I think Riteish Deshmukh is best! Riteish Deshmukh's body movements n

expressions are very good. The entire film is very interesting. Go for it! Excellent film. I love Riteish Deshmukh. Everybody knows, Riteish Deshmukh is best film actor. Riteish Deshmukh is my god, i can't believe the dedication of the producer and all the people involved in this film. I got a feeling this movie is really going to be big hit. I really love the entire thing.

Tere Naal Love Ho Gaya Hai Hd 720p

This is one of the best movies of 2012. I absolutely adore both Riteish Deshmukh and Genelia Dsouza. I absolutely love the direction also. This is just a must watch movie. You will love it. Overall amazing performance by all the cast members. No surprise here. i was a fan of the original, and this one's version is simply a joyride. It's a good big song too -- at least for once in this genre. the crazy, annoying climax was fun and out of place, but it worked. they've finally made the whole thing bearable. the remaining songs, which were fun at first, become tedious after a while as the romance curdles and there's never enough of that magic of real love. yes, it does ruin the fun, but that's

only a small part. they've made the entire thing bearable and I can't really ask for more than that. it's a thumbs up for Atif and Priya. Atif and Priya, the stars of the film, were in the news last week, after a celebrity couple, after being married for eight years, finally tied the knot. It was recently revealed that the superstar couple's eight-year-old marriage was broken before they got married. The two stars, both Bollywood regulars, had been living separately since 2006, while the relationship appeared to be on the rocks for a while. "There were obstacles but we always were there for each other and we were always there for our fans. I think that is what made us strong in the end. We have been true to each other all the way from the time that we started dating," Priyanka, who plays an Indian cricket team player, told a news channel. "For eight years, we have never had a minute's doubt in our relationship and I can't say that we are a couple now, but if we were to call ourselves a couple, then we are a good one," she added. "We have been through a lot. We have been through the highs and lows of the actor-studio system together. We have been through everything. Our love has survived

all of it," Priyanka said. But the actress says their tie-up is one that comes with happiness and not stress. "Our wedding has been easy and happiness is the only feeling we have. We feel we are home now. We feel like we are married now," she said. Priyanka, who has had four films released, said it has been a great challenge finding a role that suits her. "I have been through it all and now I am very happy, the film industry is quite big but it is not as much fun as it was, I don't know what it is," she said. "I have four films released, for the past five to six years, it's been very difficult to find a role that is right. We do like each other, there is respect between us and no words were said to hurt each other," Priyanka said. "We have been through it all. We have been through the highs and lows of the actor-studio system together. We have been through everything. Our love has survived all of it," Priyanka said. The deal marks Atif and Priyanka's third film together and comes after their hit film, "Tere Naam". Both the actors will next be seen in "Peepli Live". 5ec8ef588b
